If your student needs more resources to succeed in school, contact the Roundy CIS Site Coordinator, Ms. Karen Belote-Stevens. 702-799-5890 or belotkk@nv.ccsd.net

Our mission is to surround students with a community of support, empowering them to stay in school and achieve in life.

Walking to and From School

There is no adult supervision at the park across the street before or after school. Please explain to your child that they should be walking to school without stopping at the park to play. Students should also walk straight home from school unless they are with parent or guardian. School gates open at 8:40am for breakfast and school starts at 9:15am. Please keep this in mind when your child wants to leave the home at 8:00am. Again, there is no supervision prior to 8:40am.

Parent Survey

Please look out for a paper survey that will be coming home next week. The survey will provide different English and Math topics/classes that Roundy will host if there is parent interest. Our goal is to make sure you have the information you need to support your child with their homework.

SOT

We are looking for a parent who is willing and interested in serving on our School Organizational Team. We meet monthly at 3:45pm. If you are willing and able, please ask for Mrs. Yee in the front office.

Student Council Project

Our student council has decided to raise money for childhood cancers. Student Council will be having a competition to see which homeroom class can raise the most money. All donations will go to the Leukemia And Lymphoma Society.

House Quarter 2 Winner: Aroha!

We are well into quarter 3, which means a house competition is around the corner! We will be looking for students who demonstrate responsibility and respectfulness.

Looking ahead: “Wear your house color” day is Wednesday, February 26th and March 25th.
